ECS – Flow of “Movement Reference Number” (MRN) – Air Freight

Aankomst melding

A large commercial airplane is flying directly towards the viewer over a runway. The sky is filled with white clouds. A large, semi-transparent red banner with rounded corners is positioned in the foreground, partially obscuring the runway. The banner contains the text 'Thank you!' in white. The runway has white lines and a shadow of the plane is visible on its surface.

Thank you!

 - Link with PN-TS

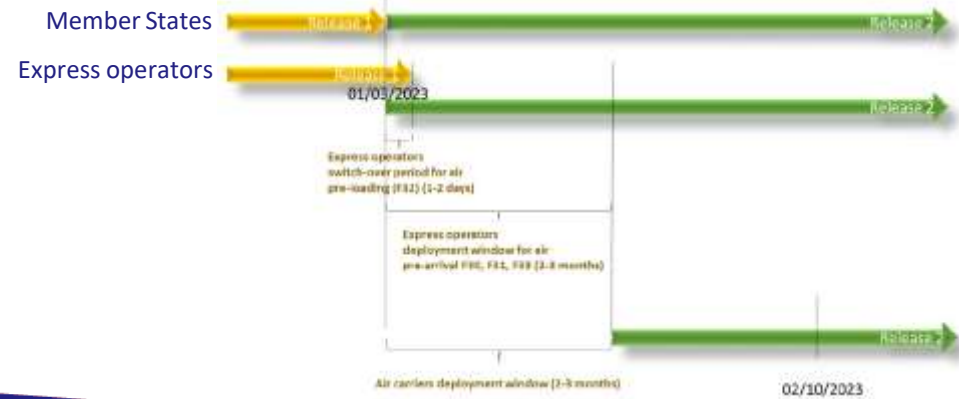

ICS2: TRANSITION TO RELEASE 2

Postal

Express

Cargo

ICS P1: SINGLE FILING

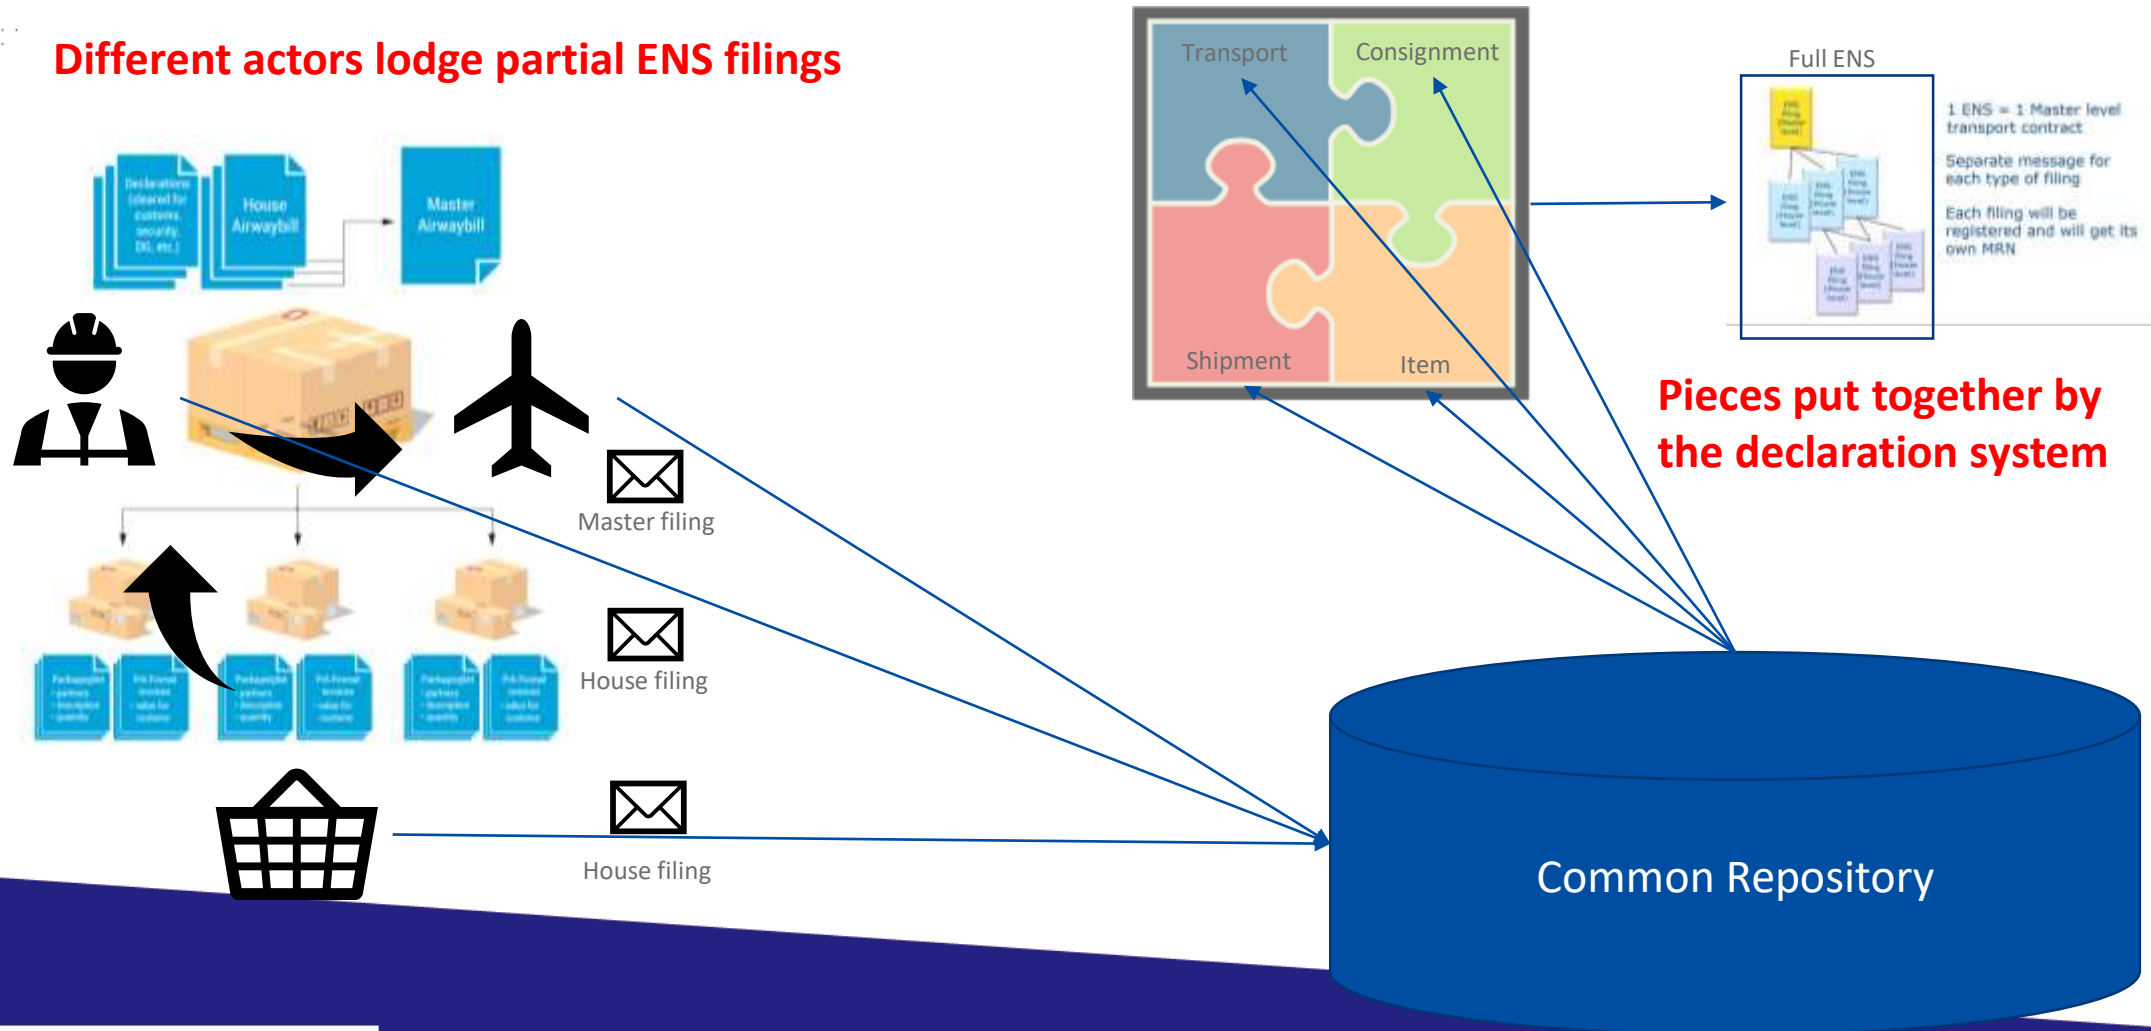

Carrier needs to put all the pieces together before being able to lodge a complete ENS

ICS2: MULTIPLE FILING

Different actors lodge partial ENS filings

ICS2: TRANSITION TO RELEASE 2

- Involved parties: all supply chain actors in air mode of transport that are legally authorised to lodge ENS
 - In principle: carrier, but other supply chain actors can replace the carrier:
 - Importer
 - Consignee
 - Person representing the carrier
 - Person presenting the goods
 - If not all data was made available: multiple filing
 - Issuers of additional transport contracts, e.g. :
 - Freight forwarders
 - Consolidators
 - If no ENS available upon presentation:
 - Person presenting the goods obliged to lodge ENS
 - Customs authorities may allow to lodge customs declaration or TSD instead
 - No ENS needed in case of Union goods or ENS waiver
